## ANNUAL TIMKO CHARITY GOLF TOURNAMENT

**Dear Friends,**

It is that time of the year again when all eyes turn towards the lush green meadows of the Columbia Valley of B.C. and the annual Timko Charity Golf Tournament. This year we will be hitting the links at the Fairmont Hot Springs Mountain Side Golf Course in Fairmount, B.C. The date has been set for Friday, September 10th. This will be a Texas Scramble as last year was, but we will be on a Shotgun Start format this year. Start time is 11:00am. We are looking at going with a full slate of 144 people so please book your spot early and support a good cause. All proceeds will once again be directed to the Moses Project in Honduras. You can see what has progressed in the last year by checking out the 3CM website at [www.3cm.org](http://www.3cm.org). We've enclosed some registration and information documents that you can use to fill out and reply. You can fax your documents to the Timko office at 403-932-4948 or email your response to [tim@timko.ca](mailto:tim@timko.ca).

We also want to take this opportunity to announce a project that Timko is undertaking on the Morley Reserve on the last weekend of September. We will be undertaking to build a complete house on a weekend starting on Friday, September 24<sup>th</sup> and handing the keys to a fully finished house to the new owner on Monday, September 27<sup>th</sup> at 6:00pm. This will be a highly publicized project that will show appreciation for the work that the Wesley Band of the Stoney Tribal Administration has given us over the years. The basement will be in, but the rest of the house will literally take only 72 hours to complete. We hope you will get involved. More information regarding this opportunity will be provided shortly.

Sincerely,  
Timko Developments Ltd.

Tim Davidson  
President

Aimed at elevating the basic standard of live in the mountains of Western Honduras, the Moses Project is a leadership program for underprivileged rural boys. The Moses Project provides an opportunity for boys to develop their leadership skills through a 3 year intensive program that allows them to continue their education beyond the 6<sup>th</sup> grade, to learn employable skills and to gain critical knowledge about improved agricultural techniques and environment management to improve their small family farms and their communities. The Moses Project provides a safe place to live, people to assist with basic life skills, transportation to all education components as well as university level study that focus on specific skills applicable to rural development issues.

This is going to be a fun "Texas Scramble" tournament that will appeal to golfers of all levels, so please mark September 10<sup>th</sup> on your calendar and register now! We have spots for 144 Golfers and expect to sell out. You can register as a team of four or individually.

Detail:
